The Course

Speargrass Golf Course is nestled on the banks of the Bow 30km southeast of Calgary. Opening in 2004 to rave reviews, Speargrass Golf Course is an 18-hole Gary Browning designed golf course. The beautifully manicured links style layout offers choices of six different teeing grounds on each hole for all abilities, with yardage ranging from 4916 to 6709 yards. Generous fairways and large greens make Speargrass enjoyable for everyone. Strategically placed sand traps and water hazards as well as tall fescue grass frame each beautiful hole. One unique feature of the golf course lies in the fact that both front and back nines have 3 par threes, 3 par fours and 3 par fives, and has played host to many PGA of Alberta and Alberta Golf Association events. With spectacular golf, great people and a dedication to personal attention in service, Speargrass is Calgary's most friendly and relaxed golf experience.
